Kristi Monson, Mayor

ATTEST:

Justin B. Lewis, City Recorder

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

Now, Therefore, I, Kristi Monson, Mayor of the City of
Smithfield, Utah, do hereby proclaim
Saturday, May 14, 2022 as

Arbor Day

In the City of Smithfield, Utah, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

Further, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

FY 22/23 Proposed Budget

Fiscal Year 2022/23 Budget Highlights

GENERAL BUDGET CONSIDERATIONS:

The proposed budget includes wage increases for all employees, the average increase is 7%, this it to keep up with inflation and rising wages in other organizations.

We have not included any increase in Health Insurance, we are still waiting for our renewal. We will need to address this cost when we receive our renewal.

The payout for the Judge will be finished midway through the new fiscal year.

The Planning Department budget has increased significantly. We are recategorizing our cost for this department. These costs were covered in other line items in the budget in previous fiscal years. The Legislature is pushing cities to provide an exact cost to provide this service. This moves us closer to this request and will help to keep us in compliance.

We have budgeted \$5,000 to continue transitioning green space to waterwise landscaping.

Revenue:

Property tax has remained similar to last year, we will adjust once we have the numbers from the County.

Sales tax continues to increase. Sales tax currently makes up 45% of our revenue in taxes collected. This is great and could also become problematic. Sales tax is a volatile tax that's driven by the economy, any downturn or change in the sale tax formula could severely impact the city in a negative way.

Telecom, Franchise, and our Energy Tax are all declining. This has been a trend over the last few years.

Mass Transit Tax is increasing again. Keep in mind that we collect none of this, year we must account for in on the revenue and expense side. It is an audit requirement triggered by Cache Valley Transit District operating in Smithfield. Revenue and expense are the exact same amount.

Licenses and Permits are projected to increase \$11,000. Driven mostly by building permits and business licenses.

Class "C" Road Fund allocation is projected to increase. This is collected and distributed from the state's gas tax.

Charges for services are increasing \$204,882. This is driven by the Public Safety Utility Fee.

We continue to receive some fine/citation revenue from for the Justice Court. This is for minor violations.

PROJECTS:

Central Park Well: This project will most likely span the current budget year and FY 22/23. We have not allocated any money toward this project in the new fiscal year. We will have to adjust as the project finishes.

600 West Sewer upgrade: This project will most likely span the current budget year and FY 22/23. We have not allocated any money toward this project in the new fiscal year. We will have to adjust as the project finishes.

Public Works Facility Gate: We are budgeting \$28,000 from the General Capital Improvement Fund (GCIF) for this project. This will help us move to keep the facility secured and allow ease of access during the night for plowing and fire department fueling. This will also move the gate back off 800 West. The gate was hit this winter by a truck that slid off of 800 West.

Public Works Wash Rack: We are budgeting \$6,000 from the General Capital Improvement Fund to purchase a wash rack for the plow and dump trucks. Currently, they must climb on the sander to wash them out during the winter. This has created a safety issue.

Culinary Water Meters: We have 1,200 old water meters in the ground. On average, we are losing 40-50 per month. We are budgeting \$260,000 for meter replacements and \$115,000 for meter reading system updates.

RAPZ: We have included \$15,000 in the parks budget as our cash match for the Forrester Acres RAPZ project.

900 South Storm Water Project: We have included \$90,000 for this project. This is part of Project #5 identified in the Storm Water Master Plan.

EQUIPMENT:

Storm Water:

Budgeted \$46,000 for a new work truck. This will replace one of the older trucks in the fleet.

Water:

Budgeted \$103,000 for a back-up generator for the Birch Creek Well.

Class "C" Roads:

Budgeted \$55,000 to purchase equipment to manufacture brine and the equipment needed to spray the roads with the brine solution. This will aide with plowing and improve the time it takes for the salt to work.

Budgeted \$293,500 for road Maintenance: chip seal, HA5 sealant, overlays, and striping (See attached maps).

Police:

Budgeted \$55,860 for the lease payments on the new Ford F-150's. The Dodge Durango lease is up this summer.

Fire:

Budget \$46,000 for ambulance lease payments.

Streets:

Budgeted \$18,000 for crack router. To widen cracks for crack sealing.
