

New City Logo!

Creative and talented residents of the city, we need and want your help!!

The City Council and Mayor are looking for a new logo design to be used throughout all of our departments.

We are asking you, our residents, for designs for this new logo.

Here are some guidelines:

-Logo needs to include Smithfield, est. in 1859, and possibly Utah's Health City

-Logo should be simple and clean enough for letterheads, embroidery on shirts, and easily readable on city trucks.

-Any color scheme will be considered

-City history should be incorporated including Flat Top mountain, trees (we are a Tree City USA), and other local landmarks.

-Logo needs to be computer generated so we can easily incorporate as soon as we approve the design.

Please submit your proposed logo to:

communityresponse@smithfieldcity.org

Proposed logos will be accepted through July 31st.

Your reward: seeing your art displayed on clothing, hats, cars, trucks, letterheads, etc. for many years to come!

Current Logo:
