Library volunteers must be over the age of 14. Minors that wish to volunteer at the library must have parent or guardian consent before they can be approved as library volunteers. Please note there are limited volunteer opportunities within the library and an application to volunteer is not a guarantee of a volunteer position with the library. Volunteers over the age of 18 will be required to complete a background check with the Smithfield Police Department as required by law.

Library volunteers provide much needed support for professionally trained librarians and staff at our library. As a library volunteer, you will work under the supervision of library staff providing assistance with a wide range of tasks which could include:

- Shelving of materials
- Cleaning library materials and straightening shelves
- Clerical support
- Helping with library programs

The library staff will strive to make your time volunteering at the library a positive and meaningful experience as your time is important to us and all volunteers are a vital asset to the library. Volunteering at the library offers a wide range of benefits from the development of skills to the satisfaction of providing a much needed service to the community.

The library will contact you when we've assigned your volunteer position.
